### Dear Colleague,

As Governor of the ACP Japan Chapter, I invite you and your colleagues to join me at the coming Chapter and Scientific Meeting of the Japan Chapter of the American College of Physicians, being held on April 8, 2005, from 2:00 to 5:30 p.m. at the Osaka International Convention Center.

*This meeting is not just for ACP members.*

I particularly want to invite nonmembers to join us for these important clinical updates and to learn about the benefits of membership at the same time. Dr. Robert Gibbons, MD, FACP, a Regent and the Treasurer of the ACP, will attend this meeting to discuss College-related issues, and to give a lecture. This is a good opportunity to make your voice heard by ACP leadership.

Registration is free for the scientific/business meeting. Members are invited to attend the reception (fee: 5000 yen), which will be held right after the Scientific Meeting. To ensure your place at this important meeting, please complete the registration form at the back of this brochure and send it in today via fax to the Japan office (+81-3-3818-1556). The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Osaka.

Sincerely,

**Kiyoshi Kurokawa, MD, MACP**  
**ACP Governor, Japan Chapter**
